

# Give the Gift that Grows!

Plant a Tree  
in your Community or  
Neighborhood Park

*Planting a tree is a thoughtful and distinctive way to present living memorials to friends and family. It is an environmental gift that will last for decades!*

◆ **Mark a birth, anniversary or remember a special family member.**

◆ **Honor a favorite teacher, special friend, gifted athlete or a dedicated coach.**

◆ **Celebrate a wedding or anniversary.**

Your generous contribution will enhance the Mundelein Park District's community and neighborhood parks as well as show someone how much you care! When it comes to honoring a person, nothing surpasses the simple human gesture of planting a tree! All dedicated trees will be recognized on park plaques located at the base of the tree and will be maintained by the park district.

Have a tree of your choice planted in any Mundelein Park & Recreation District park. Choose from a variety of shade or evergreen trees. The park district will consult with families or individuals on the tree species selected and the desired location.

The cost includes the tree, tree installation and 4" x 6" engraved plaque. The park district is responsible for the upkeep and replacement of all trees.

All donations are tax-deductible to the extent provided by law.
