**PREVAILING WAGE ACT
NOTIFICATION TO CONTRACTORS**

Pursuant to P.A. 96-0437, effective January 1, 2010, a public body that fails to provide written notice to its public works contractors that a project is subject to Illinois prevailing wage requirements is, itself, liable for interest, penalties and fines as stated under Section 4(a-3) of the Act. Failure by the public body to provide written notice does not relieve the contractor of the duty to comply with the prevailing wage rate, nor the obligation to pay any back wages, to the extent applicable under the Act. This notice is being provided for the mutual benefit of you and the Park District.

This contract may call for construction of a “public work” within the meaning of the Illinois Prevailing Wage Act, 820 ILCS 130/.01 et seq. (“the Act”). The Act requires contractors and subcontractors, to the extent that the Act applies, to pay laborers, workers and mechanics performing services on public works projects no less than the “prevailing rate of wages” (hourly cash wages plus fringe benefits) in the county where the work is performed. Related to the Act, the Substance Abuse Prevention on Public Works Projects Act, 820 ILCS 265/1, et seq., requires contractors and subcontractors performing services on public works to have in place a written substance abuse program, which meets or exceeds the program requirements of this Act, on file with the Park District.

To the extent the Act applies, all contractors and subcontractors rendering services under this contract must comply with all requirements of the Act, including but not limited to, all wage, notice and record keeping and submittal duties, including the Substance Abuse Prevention on Public Works Act. If the contractor determines that the Act does not apply to it, contractor shall - in lieu of certified payrolls – submit a letter stating that the Act does not apply to it and setting forth the reasons therefore.

I acknowledge that I have received the Prevailing Wage Act notification and:

- The services my company has performed for the Mundelein Park and Recreation District **are subject** to the Prevailing Wage Act and I will submit a Certified Transcript of Payroll for these services prior to receiving payment.
