### **NOTHING BUT NET!**

5<sup>th</sup> – 8<sup>th</sup> Grade Girls Needed for Feeder Basketball Program

**MUNDELEIN, IL —Tryouts for the Mundelein Mustang Girls Feeder Basketball program will be**

**held on October 21 at Mundelein High School. The program is a partnership between MHS Lady**

**Mustang team ([www.ladymustangs.com](http://www.ladymustangs.com)) and Mundelein Park District ([www.mundeleinparks.org](http://www.mundeleinparks.org)).**

Designed for girls in 5th-8th grade (4th grade players may try out for the 5th grade team) who reside

within Mundelein High School District 120 boundaries, this high school preparation program provides

players with the opportunity to participate in a competitive basketball league, while continuing to learn

basketball skills. The feeder program teaches girls how to develop and refine those basic skills while

learning the primary offensive and defensive scheme of the high school. Player eligibility is based on high

school attendance boundaries: players must live within the boundaries of the high school in order to try out for the feeder team. Tryouts are free, but girls must register in advance at [www.mundeleinparks.org/girlsfeederbasketball](http://www.mundeleinparks.org/girlsfeederbasketball).

This program differs from our other programs by having team selection through tryouts and is a competitive level of practice and games. A solid commitment from parents and players with both the practice and game schedule is necessary. The season runs November through mid-March, with 2 practices a week, 12-15 league games and 3-4 tournaments. The league fee is \$500 if your child makes the team, plus a uniform fee of \$100 if your child needs one.

Please direct any questions to Aaron Smith (president of feeder advisory board) at [mundeleingirlsfeeder@gmail.com](mailto:mundeleingirlsfeeder@gmail.com) or Scott Schleiden at [sschleiden@mundeleinparks.org](mailto:sschleiden@mundeleinparks.org).
